

Mainzy K EP "Journey"

Mainzy K

Emerging artist Mainzy K announces release of his EP "Journey"

The release of "Journey" is scheduled for February 16th 2024

The EP comprises four distinct tracks, offering a glimpse into the musical evolution of 22-year-old Mainzy K.

The "Journey" EP showcases a genre-defying blend of **R&B, Soul, and Pop**, highlighting the musical versatility of Mainzy K. Each track presents a unique facet of these genres, promising an overall enjoyable listening experience.

The tracks on the EP include **Journey, Can't Stop, Mistakes** and **Better**.

Of particular note is "Better", Mainzy K's debut single from 2022, now part of the "Journey" EP. The EP was produced under the guidance of experienced **producer Tobi Frick**, known for his quality work, significantly contributing to the professional sound of "Journey".

The **mastering** of the EP took place at the "**zollfreizone**" studio, under the direction of **Heinz Lushtinez**, contributing to the outstanding sound quality and precision of the recordings.

The release is under the "**For Real Music**" label, specializing in Jazz- and Populärmusic, making it an ideal platform for Mainzy K.

The "Journey" EP will be available for streaming and download on various platforms starting February 16, 2024. Mainzy K invites all music enthusiasts to join this artistic journey and experience "Journey" together.

"More than anything my goal is to find my own unique sound."

About Mainzy K:

Mainzy K is an emerging 22-year-old artist whose music represents a multifaceted combination of R&B, Soul, and Pop. The "Journey" EP marks another step in Mainzy K's musical development, showcasing his talent. At the age of 12 **Emmanuel Okeke Osinachi** started to play the piano and write songs. Growing up Mainzy was inspired by artists such as Styl Plus, Wande Coal, Craig David, 112 and Usher. In 2014 Emmanuel migrated from **Lagos State, Nigeria** to **Graz, Austria**, where he continued to write. In 2020 he found a new producer and together they started to work on new songs.
